

## Jefferson Davis Photographic Memorial. \$345

Arguably the most recognizable image of the Confederate president, Davis is featured in this Mathew Brady portrait, circa 1861. Measuring 2.5" x 3.5" the photograph is matted with black velvet and surrounded by silk flowers, topped with a black velvet bow securing small paper flags of the state of North Carolina and the Confederate battle flag, and framed to an overall size of 11.75" x 13.75".
